

It is time for another group of parents to provide our school with fresh new ideas to make NSEE Home & School an organization to be proud of. Each Home and School Executive is able to serve a two-year term on the executive and this is the current executives second year.

It is a very positive and rewarding experience being on the executive and a great opportunity to work with the staff and parents of NSEE. If you, or someone you know, is interested in serving on the Home and School Executive, please fill out the form below and send it in with your child to the school by Wednesday, March 20th. **Please remember in order for your nomination to be accepted you must be a Home & School member as well as the person being nominated – they must be a Home & School member.**

The key to a successful organization and school is through team work. The Executive will have a wonderful team of parents to help support it. The children depend on the Home & School for so many things – please consider being an instrumental part of this worthwhile team. It is a great experience and you have the best parents and staff in the community working with you. It is a great way to get involved. It's time for parents with new and exciting ideas to step up to the plate and hit a few home runs for the children. The **Volunteer Chairperson** position is also open for nominations.

Thank you
NSEE Home & School Executives
