

Grade One Home Learning Choice Board
Pick 1 choice from each subject area daily

and visit <https://www.kidsa-z.com/main/Login> every day for fun in reading!
You can post pictures on our class Facebook page to show us what you're learning!

Literacy	Math
Staple or fold 3 pages together. Write and illustrate your own book. Share it with your family.	Play a board game or a card game with someone.
Go around the room and write down the names of 10 objects you see. Can you stretch to hear and write every sound?	Make numeral cards to 20. Shuffle the deck and then place the deck upside down. Draw a card and say the number that is one more/two more than the chosen number. Repeat this activity but instead say the number that is one less/two less than the chosen number.
Pick 3 sight words and complete 3 activities. <i>(Please refer to "Grade 1 Sight Words and Activities" attachment).</i>	Have a family member time you as you practice counting by 2's all the way to 50 . See if you can beat your own time! Complete this same activity but try counting by 5's all the way to 100! Good luck!
Hide a mystery object in a box. Give clues to a partner about what is inside the box. See if they can guess what the object is. Then, switch roles.	Find ten 2D shapes in your house and write down what you found. Draw a picture using 2D shapes.
Have a word race! You and a partner pick a letter and see who can list the most words that begin with that letter in two minutes!	Place a group of objects on your table. Make a set that is more/fewer as many as your set.
