

I Know It (Math practice) - enjoy a free online math practice program, available to teachers and students across the world. Follow the steps below to try it out! Each student has their own assignments to practice on the site and students' progress/results can only be seen by the teacher, student, and parents 😊

Step 1: Click on the link:

<https://www.iknowit.com/>

Step 2: Click '**Login**' in the top right corner

Step 3: Choose '**I am a student**'

Step 4: Enter the class code: **kmath2020**

Step 5: Enter your child's **username** (sent to parents already).

Step 6: Enter the password: **Mathrocks**

Step 7: Click '**Login**'

Step 8: Check the **Choice Board for Kindergarten Math** on Mrs. Girourard's teacher page to see which concept you will be practicing today 😊
