

## Kindergarten Mutch Home Learning Week 1

Choose 1-2 from Math and 1-2 from Literacy each day: (It's ok to do the same one on more than one day.)

### Math

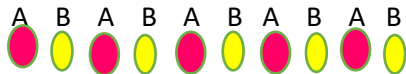

Count frontwards to 10, but don't start at 1, start counting at 3, 6, 2, 4, etc.

(Start counting at 3: 3, 4, 5, 6, 7, 8, 9, 10)

Play Counting Fish

Draw 10 Easter Eggs and colour them using an ABAB pattern (2 colours repeating).

Find something that is a cylinder in your kitchen. Can you find one anywhere else?

(Soup can, paper towel roll)

Play Fuzz Bugs to practice patterns:

Draw a picture and spell one of the rhyming words.

Write 2-3 sentences about a topic of your choice. (I have a post on my teacher page explaining our Writing process/expectations)

Review the letter **Aa** using this interactive activity, and then neatly practice printing **Aa**:

Find 5 things inside or outside that start with the letter Tt and draw a picture of one of them.

(Example: tree, toys, TV, table, tomato, turnip, tail, trophy)

Week 1

- Students are encouraged to read/be read to for 30 minutes each day. This can be at anytime during the day. Because we are just beginning to read, we've learned 3 ways to read a book:
  1. Read by talking about the pictures.
  2. Read the words.
  3. Retell a book that someone has previously read to you.

To get started, I would encourage parents to use one of the following sites, and also read books from home. (You will probably have to copy/paste the links)

Students can look for words that they may know. These are the words that we were reading in mid-March, however, students may not remember all of them, and that's ok. If they can pick out 2-3 words they recognize, that's fine.

- Even though Friday is a holiday, I thought that you might like to complete a fun drawing activity that you can use as an Easter decoration! I would love to see a picture of your bunny! Send it to my email [heather.mutch@nbed.nb.ca](mailto:heather.mutch@nbed.nb.ca) or send it to my Facebook Messenger. See the instructions and a picture of my bunny below!
