

## Home Learning - November 4, 2021

### Literacy

- Listen to a story on youtube called "A Porcupine Named Fluffy" by Helen Lester [https://www.youtube.com/watch?v=UU4kqY\\_ern0](https://www.youtube.com/watch?v=UU4kqY_ern0)
- Read your little "read the words" books for 10-15 minutes
- Play Squiggle Park for 15 minutes - login card is taped to your Take Home folder
  - Writing - Write your last sentence in your Halloween story. Remember the last sentence is your ending - your feelings (how you felt, what you hoped, thought, wished, etc). **\*\*Now it's share time! You can either post a picture of your story on our group page on Facebook or send it in a private message to me. Remember to keep it to bring to school when we are back.**

### Math

- Practice your days of the week and months of the year - use links on our webpage if you want.
- DreamBox - 15 minutes
- Counting On Card Game

## Instructions for this Counting On card game:

Shuffle and place the cards face down on the table. Player one flips over the top card and starts a discard pile.

Next the first player will throw the dice. Their challenge is to start counting from the number shown on the card and count on the number of times shown on the dice.

Take turns flipping over a card and counting.

There is no winner or loser in this game. It's just simply a turn-taking game.

The game is quite simple and won't take long to learn. In the picture above, my daughter turned over a 10. She then threw a dice and got a 6. She started at 10 and counted: 10, 11, 12, 13, 14, 15, 16.

## **Gym**

- Check out gym ideas on Miss Downey's teacher page at NSEE  
<http://nsee.nbed.nb.ca/teacher/miss-downey>

## **Music**

On Youtube watch "At Home Music Lesson for Kids"
