

Home Learning: Wednesday, November 10th

Literacy:

- Watch this book about Remembrance Day - A Poppy is to Remember: https://www.youtube.com/watch?v=Bp5_1p8Y7v4
- Watch this alphabet song, say letter names, sounds, and do the actions: https://www.youtube.com/watch?v=VFo0b_IIRac
- Review the letter game if your child doesn't recognize letters up to J yet.
- Writing Workshop - Using a piece of writing workshop paper, draw a picture of something you've done over the past couple of days. Have an adult print your sentence at the very bottom, and then you can copy the sentence on the line to practice spaces and letter formation. I always model correct spaces and correct letter formation (uppercase/lowercase letters). Even though it's not an expectation at this time, students will follow what is modelled for them.
- Instead of letter practice today, watch my video from this morning and make a poppy using the sheet with 4 hearts and a circle. I gave you some extra copies in case someone else in your house would like to make one, too.
- You can also try drawing your own poppy on plain paper if you'd like. Here are the instructions for drawing a poppy:
https://www.youtube.com/watch?v=EkSBztJ_bMQ

Numeracy:

- Song - Subitize Super Fast:
https://www.youtube.com/watch?v=nymOVGGm_I
- Complete worksheet #3 - Count the objects and write the number on the line.

- Review 1 more: Students need to answer 1 more than the number they see on the screen.

<https://www.youtube.com/watch?v=t8rIqxyfEmI>

Extra: Students can work on Squiggle Park (Literacy).

Students can work on DreamBox (Numeracy).

All login information was sent home in a folder several weeks ago.
