

## Kindergarten Mutch Home Learning Week 9

Choose 1-2 from Math and 1-2 from Literacy each day: (It's ok to do the same one on more than one day.)

(The links should work when you click on them, please copy and paste if they don't)

### Math

Students should be able to confidently count to and from 10. This week, students can practice counting from 0-20. I've expanded the number line below to help with counting. (We only need to count to 10 in kindergarten, but I feel we can go to 20 and start preparing for Grade 1 ☺)

This is a favorite song of mine that reviews patterns – Banana, banana, meatball  
<https://www.youtube.com/watch?v=OAnbQRGmquQ>

Taller and shorter review: I found a really fun Scavenger Hunt to review the terms “taller” and “shorter”. It is attached in a picture below the learning mat.

Number Bingo: start with the 0-10 board game, and if that's easy, try the next level.

3D Shape Song – this is a great song to review the 3D shapes that we've learned this year:  
<https://www.youtube.com/watch?v=zPZegz690Mg> See if you can find some 3D shapes in your house.

### Literacy

**“Silent” e or “bossy” e** is when the “e” at the end of the word doesn't say anything, but tells the other vowel to say its own name. This activity will get students to practice words using “bossy e”. Watch the “Movie – Silent e”  
<https://www.starfall.com/h/ltr-classic/>

There are 2 long “a” activities (this is when the letter “a” says its own name) beside number 6 along the left side.  
<https://www.starfall.com/h/ltr-classic/>

Open the post attached: **“Practicing Sight Words”**. Students will practice reading and writing sight words they should recognize. \*\*This week students will be learning the words “this”, “like” and “they”.

Make a book! Cut or fold 1-2 pieces of paper in half, and staple together. Write and illustrate your own story! (Mine is in the Writing Attachment)

**Jake's Tale:** We have learned all year that vowels are called “hard workers” because they have 2 sounds. We've reviewed all the “short” vowel sounds and it's time to focus on the “long sounds” beginning with “a” in **Jake's Tale:** <https://www.starfall.com/h/ltr-classic/>

Introducing **“th”**: we've talked about **“saucy th”** several times this year in class. It's called saucy because you have to stick out your tongue to properly say the “th” sound. Watch the “th” video: <https://www.starfall.com/h/ltr-classic/>  
Can you find a thumb, mother, father, brother, bathtub around the house?

Week 9

- Students are encouraged to read/be read to for 30 minutes each day. I would encourage students to practice reading **Jake's Tale** each day, and continue to review **Gus the Duck, Mox's Shop, Zac the Rat, Peg the Hen and The Big Hit**. Students could also read picture books, cartoons, recipes, magazines, audio books, etc.

Interactive calendar: <https://www.starfall.com/h/holiday/calendar/?sn=main>

This week we are introducing the words **this, like & they**. There are activities on the learning mat above to help learn these words as well as the attachment for sight words.

**I mom/Mom dad/Dad is am a here me little my the big look come on  
go, in, to, he, at, it, up, can, an, this, like, they**

Fun Friday Art Project: Handprint butterfly: Fold a piece of coloured paper and trace your hand. Then, draw on the antennae. Cut out and open - these are your butterfly wings. Now draw the body/head and cut out. Glue everything together, draw the eyes and decorate the wings. See the steps and my butterfly below:

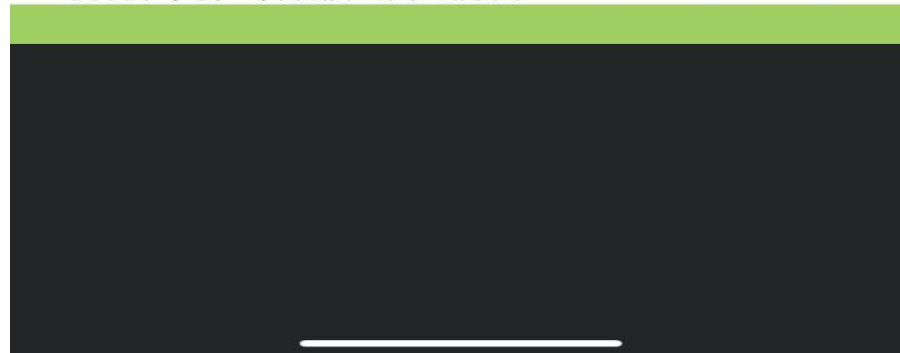

## Taller/Shorter Scavenger Hunt:

### TALLER OR SHORTER SCAVENGER HUNT

- Find something taller than a table but shorter than a door.
- Find something taller than a pencil but shorter than a dresser.
- Find something taller than a cereal box but shorter than a chair.
- Find something taller than a book but shorter than the kitchen counter.
- Find something taller than a spatula but shorter than you.
- Find something taller than a ball but shorter than a tree.
- Find something taller than a shoe but shorter than a ruler.

Number Line:

0-1-2-3-4-5-6-7-8-9-10-11-12-13-14-15-16-17-18-19-20
