

4th Annual NSEE Bass Fishing Derby

May 2-29, 2016

All students and parents at NSEE are encouraged to get some exercise and have some fun during this year's bass season on the Miramichi. To this end, we are promoting our fourth annual Bass Fishing Derby at our school. Details are as follows:

When? May 1-29 - After school hours, evenings and week-ends (parent's discretion).

Where? Anywhere on the Miramichi River.

Who? All NSEE students and their parents are encouraged to participate.

Why? Get some exercise, have some family fun, enjoy the outdoors, learn new skills and possibly win our grand prize (fishing gear – rod, reel, tackle and tackle box).

How? Parents will be responsible for organizing, transporting and supervising their children during all fishing excursions.

Cost? There is no cost for students to participate. Also, there is no cost for a fishing license when fishing bass in tidal waters.

Important: Please refer to the following website for complete details about the 2016 Bass Fishery: <http://www.miramichisalmon.ca/news/>

Pictures? Please email your longest fish pictures to paula.matchett@nbed.nb.ca for posting on our website and for determining 1st, 2nd and 3rd prizes.

Note: For each day of fishing, as well as fish hooked and landed by a student, parents will be asked to verify this information on a tally sheet (attached). Prizes will be awarded for the 3 longest fish caught. Photo with measurement will be required.

Students will receive ballots at the end of our fishing period for each day fished, as well as each bass hooked and landed. All ballots will go into the grand prize draw that will be held at lunch hour on Wednesday June 1st.

If you have any questions or concerns, please call Mr. Henderson @ 836-7010.
