

NSEE Christmas Tree Fundraiser

Once again this year we are selling real Christmas Trees! All Money raised goes directly back to the school. Why not buy a real tree this year, ***grown locally*** and ***cut fresh***, the day before you pick them up at Breakfast with Santa!

If interested, please return this form to the school with your payment. You can also call the school to order. If you are unable to pick up your tree on December 4th, we will make arrangements to have it delivered to you!

\$30/tree – 6 to 8 feet tall · Type of tree - Balsam Fir
