Please Note:

- Parents are **not allowed** to go to the rink to tie skates this year due to Covid rules.
- Please send your child's skating bag in the morning. Bag should include skates, helmet, extra mitts and a water bottle.
- For safety issues, skates and helmets should be packed in a bag that is easy to carry to the rink. This bag should be a backpack for students in grade K-3. Duffle bags and reusable grocery bags are too hard for them to carry.
- Pack an extra pair of mitts/gloves in your skating bag in case they get wet at lunchtime.
- Parents should practice with their child to loosen their own laces and put their skates on their feet. Older students should practice tying skates on their own.
- We will have extra school staff on hand to help tie skates.
- Students will be skating with their classroom bubble.
- All students in Grades K to 2 have to wear snow pants on the ice.
- Students in Grades 3 to 6, should dress in layers.
- All students require a helmet. A helmet cage is also strongly recommended for students learning how to skate.
